# Change Now, Win the Future

Huawei Fixed Network Modernization Solution

#### Fast Deployment, Quick TTM

- Smart Cutover Solution accelerate migration process
- Rich IOT minimize the integration duration

## Future-proof, Investment Protection

- Capability Exposure brings endless possibilities with ecosystem
- Convergent design to support all kinds of evolution scenarios

## Full Services, Revenue Generator

- Rich experience of legacy service inheritance
- Quick win with ready-to-go multimedia services

#### Future-guaranteed Cooperation

- Proven market performance and share
- Proven Industry position from analyst viewpoint
